This is in response to Paper filed on 18 February 2005.

I. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. J. Lanny Tucker on 21 March 2005.

AMENDMENT: Claims 17-24 have been cancelled.

II. Claims 1-16 are allowable. Claims 17-24 are requested to be canceled to put the application in a condition for an allowance. They are all being discussed.

III. The following is an examiner's statement of reasons for allowance: Price et al disclose, teach and suggest a method for forming a color image comprising the steps of color developing, prebleaching with the use of prebleaching composition having a pH of from 4 and comprising a polyphosphonic acid and an aliphatic or heterocyclic thiol and bleaching with the use of a bleaching composition comprising a polyphosphonic acid which can be presented in a process of making the bleaching composition or carryover from previous step. Price et al fail to disclose, teach or suggest a top solution or stop solution in their method for forming a color halide image. Fogel et al disclose, teach and suggest a method for forming a color image using a stop color
